For the supply of defense goods for the scope of procurement with the code 35730000-0: "Electronic warfare systems and means of electronic protection" according to SC 021:2015 of the Unified Procurement Dictionary:

1. Full name, code according to the Ukrainian Classifier of Goods of Foreign Economic Activity, NATO stock number (if available):

- Full name:
 - o ELECTRIC POWER electronic warfare (EW).
 - o TU U 26.5-33563255-002:2024
- Code according to the Ukrainian Classifier of Goods of Foreign Economic Activity: 8526

2. Tactical and technical characteristics for the ELECTRIC POWER electronic warfare:

Parameter of ELECTRIC POWER electronic warfare	Value of ELECTRIC POWER electronic warfare
Number of bands	2 to 10
Available frequency bands to choose from	300-400 MHz 400-500 MHz 500-600 MHz 600-700 MHz 730-830 MHz 830-930 MHz 930-1030 MHz 2100-2200 MHz 2200-2300 MHz 2300-2400 MHz 2400-2500 MHz 2500-2600 MHz 2600-2700 MHz 5700-5800 MHz 5800-5900 MHz
Power of each band	50 W (47db) 100 W (50db)
Maximum range of UAV control suppression	200 m
Minimum range of UAV control suppression	100 m
Types of signal protocols that are suppressed	LoRa, ERLS, TBS Crossfire
Power supply voltage	12-24B (10-36V actual)
Operating conditions: protection against moisture and dust:	-40°C to +50°C IP54

3. Technical condition data: The product is new and suitable for use for its intended purpose.

4. Full name of the manufacturer, country of origin and location, logistics route of delivery (if available):

- Full name of the manufacturer: DSK-DNIPRO LIMITED LIABILITY COMPANY.

- Country of origin: Ukraine.
- Location: Ukraine.

5. Delivery terms:

- Delivery terms: to be specified additionally.
- Delivery: by "Nova Poshta" service or self-pickup in the city of Dnipro.

6. Manufacturer's guarantees:

- o The warranty period of operation of the products is 90 days from the date of its commissioning.
- O The warranty period of storage of the products is 12 months from the date of delivery.

Cost indicators for the basic* configuration of electronic warfare:

No.	Description	Units of measurement	Quantity	Price per unit, w/o VAT (UAH)
1	ELECTRIC POWER electronic warfare system for 4 bands 50W	pc.	1	131,000.00
2	ELECTRIC POWER electronic warfare system for 5 bands 50W	pc.	1	165,000.00
3	ELECTRIC POWER electronic warfare system for 6 bands 50W	pc.	1	190,000.00
4	ELECTRIC POWER electronic warfare system for 8 bands 50W	pc.	1	198,000.00
5	ELECTRIC POWER electronic warfare system for 11 bands 50W	pc.	1	240,000.00
6	ELECTRIC POWER electronic warfare system for 8 bands 100W	pc.	1	465,000.00

Additional features

- LiFePo 60A battery – UAH 24,000.00
- LiFePo 100A battery – UAH 27,000.00
- LiFePo 280A battery – UAH 46,000.00
- LiFePo 24V 35A battery charger – UAH 7,100.00
- LiFePo 24V 50A battery charger – UAH 11,000.00
- LiFePo 24V 70A battery charger – UAH 16,150.00
- Antenna mounting system – UAH 17,000.00

**The basic scope of supply includes: EW; Antennas (according to the number of bands); extension cable for antennas (according to the number of antennas); power cable, control panel.*

With respect and hope for further cooperation.
